THE CORE VALUES OF THE MISSION & OUTREACH TEAM

We believe ...

- ... **everyone is called to serve.** As stated in John 13:14-15, Jesus modeled serving others throughout his entire ministry. We believe all those who follow Jesus are mandated to serve. We believe this helps us grow as disciples of Jesus.
- ... **the best way to make disciples is by living out our faith with a servant attitude.** Based on James 2:18, we will encourage all those in the Covenant community to share the Good News of the gospel through active servanthood, prayer, and faith sharing relationships.
- ... **that in serving we are called to do no harm.** Based on John Wesley's, Three Simple Rules for Christian Living, "Do no harm, Do good, Stay in love with God", we believe that our service should empower people towards lives of self-sufficiency.
- ... **we are called to serve the poor and the marginalized locally, nationally, and globally.** In Matthew 25:40, Jesus calls us to serve "the least of these".
- ... **we are called together to be the church to make a greater impact on the world.** Realizing the impact of the first church in Acts 2:42-47, we will follow their example and prayerfully seek guidance on how best to use the resources entrusted to us. While we will encourage all people to serve individually, the Mission & Outreach Team will concentrate their efforts and encourage the Covenant community to focus on 4 specific ministries as a Community (Lincoln School, Inasmuch Ministry, Forgotten Stones Ministry and Life for Children Ministry in Kenya).
- ... **we were created to partner with God.** Although use of our time, energy, and money reflects our commitment, we are not limited by the lack of these because God has all the time, energy, and money God needs.

The team's primary objective:

"Empowering servants and transforming the world by focusing on children and those in poverty."
