

Covenant's response to the COVID-19

This morning, some of our leadership team met as we are constantly keeping an eye on the ever-changing COVID-19 (coronavirus) situation.

In an effort to be wise and care for our community, for the next two Sundays March 15 and 22, we will be suspending our corporate worship gatherings and worshipping solely online at www.covenantumc.net and on our Facebook page at 9:30 and 11 a.m.

Beyond the suspension of our corporate worship gatherings on March 15 and 22, we will also be ceasing all church-related meetings and activities until Sunday, March 29. Also, the church office, while it will not be open to outside visits, will be checking e-mail and answering phones from 9 a.m. – noon Monday-Friday.

We will also continue to monitor and evaluate the situation to ensure that we provide pastoral care in a way that ensures the safety of all people and our community, and we will let you know ahead of time if any of our procedures change and if we decide to suspend corporate worship gatherings and all other church-related activities beyond March 29.

Remember, this is a time to lean in on God, trust, pray, and care for one another. God is with you, so do not fear. The church is here for such a time as this.

While we will miss you and being together, we believe in you and know you will continue to be disciples wherever you are.
